Suzanna,

Please use the first link below to find a list of MS4s in Arkansas.

Please type **ARR04** in the "Permit Number" box and hit search. I have attached a snippet (MS4 Search) of how to use this database to locate all MS4s.

<https://www.adeq.state.ar.us/home/pdssql/pds.aspx#Display>

You can also use the 2nd link to access the list of public notices, where you'll find the contact information of the permittees;

https://www.adeq.state.ar.us/water/permits/npdes/stormwater/noi/ms4/p_arr040000.aspx

Feel free to contact me with any questions.

Thanks,
Anmol

Subject: FOIA Request for Phase I & Phase II MS4s lists

Hello.

I am reaching out to you to request a current list of your Phase I and Phase II MS4s including contact information for a FOIA request. The FOIA request came from a grantee of an EPA/FEMA Research project. The grantee plans to send Region 6 MS4s and their associated contacts an email survey. No need to recreate any spreadsheets or email distribution lists you currently use. We just need to provide the current information available to meet the FOIA deadline.

Thanks, in advance, for your assistance.

Best,
